Exploring Our Soul's Pathway

Each of us is born with unique opportunities for personal growth and self-actualization. Yet, in the unfolding of our lives, we sometimes experience doubts and hurdles. Through powerful patented Hemi-Sync frequencies, Timeline takes us on a powerful inner journey through the early years of our current life, visiting significant past lives, and finally on to exploring future perspectives and possibilities.

September 4 - 10, 2021

- Gain a greater understanding of your eternal nature and connection to others.
- Experience the love-filled energy underlying all life and gain clarity in your life's purpose.
- Create a new overview allowing you to navigate life while fulfilling your desired potential.

Exploring what many refer to as "past lives" — along with other aspects of our own consciousness, we are guided to a new understanding of the origins of our current life situations. By healing and releasing the past we can create an opening to a more purposeful and fulfilling future.

Gain Clarity, Perspective and Understanding

Ultimately, you are led to move forward in time, meeting your future self, perceiving future events and receiving clarity about your purpose while gaining a new life overview. A new overview allows you to navigate life with the least resistance and maximum benefit. You are aided to realize new possibilities that can be optimized and accomplished with your remaining time in this life experience. Timeline's methods and technologies help you upgrade at all levels.

- Exploring other lives, experience and learn from adventures of other Selves in other times.
- Discover talents and abilities from other lives and bring them to expression in this life.
- Release limiting beliefs and emotional patterns that may have originated in other lives.
- Understand and heal traumatic experiences from other lives.
- Develop new levels of clarity and choices by experiencing an overview of multiple lives.
- Better understand one's Total Self by experiencing your current life as a composite of resources and liabilities from other lives, creating a future of new possibilities.
